

## New Oil and Gas Workers Compensation Program

Sloan Mason offers access to a new, highly competitive Workers' Compensation Act program for small and middle market oil and gas accounts, written with an A rated carrier.

Our new program is written on a direct bill basis and is available for accounts generating manual premiums between \$10,000 and \$100,000 most states.

State Act, USL&H, and other common maritime coverages are available. This new program will entertain most classes of oilfield business including:

- Oil and Gas lease operators
- Oil and Gas Well Cleaning
- Oil Still Erection or Repair
- Specialty Tool Operation
- Oil and Gas Lease Work
- Instrument Logging or Survey Work
- Inspection of Risks

The following details are required for full underwriting review and best quote:

- Completed and signed ACORD application
- Currently valued Loss Runs for the last 3 years
- Current NCCI Experience Modification Worksheet

Sloan Mason is a licensed wholesale insurance broker in most states.

We have excellent relationships with our underwriters at these insurance companies, which enables us to obtain pricing and coverage flexibility, as well as quick response.
